About the company

ACS Textiles and Garments, a leading name in the textile industry, has a rich heritage of textile and garment production. Our roots go back to Elshimy, our Mother company, which has been specializing in the manufacturing and trading of uniforms for the police, army and navy for over three decades. With this strong foundation, ACS is committed to providing unparalleled services to the business sector, particularly in the fashion industry.

At ACS, we offer a safe haven for fashion designers to manufacture their garments hassle-free. Our dedicated team of professionals work closely with clients to create garments that not only meet their requirements but also exceed their expectations.

In 2022, ACS introduced Sevenars, a new line designed to serve the Egyptian market with high-quality casual wear.
